

GOD OF WEALTH

God is the owner, giver, and taker of wealth. Material wealth is a gift for enjoyment but an easy idol.

PRESENTING & PROMOTING THIS THEME

ALLOWANCE

When a parent gives a child an allowance, they do it so the child can learn about money. The parent wants their child to learn about thankfulness, giving to others, and stewardship. God gives us wealth for the same reasons. He wants us to use it, not hoard it. He has plenty more to give. Money is a tool to be used for God. His expectations are the same for each of us, no matter the amounts He has given. We are to use what God has given us for His glory.
