PRESENTING & PROMOTING THIS THEME

INHERITANCE

God is our inheritance. He is everything we need. When Abraham and Lot divided the land, Lot chose what looked good from an earthly perspective. He ended up losing everything he had because he chose the world over God. Abraham's land might not have been as nice, but He had God. If we are focused on eternity, every choice should be easy. Would you rather have a house, or God? A car, or God? A job, or God? Popularity, or God? Some young people feel that if they choose to live for God, they might miss out on something better in life. This is a lie from Satan. There can be nothing better than God. "You may have all this world, but give me Jesus."
